Ali Mosaad Elemy

Mechanical Power Engineer

Military Status: Exempted

aly.elemy7@gmail.com

(+20)1220619380

Cairo , Egypt

Aly Elemy

PROFILE

Highly organized and hardworking individual seeking a challenging role to apply technical, management, and mechanical skills while expanding knowledge of emerging industrial trends.

EDUCATION

2019 – 2024 **Mechanical Power Engineering**

Faculty Of Engineering at Shoubra , Benha University

Bachelor of Mechanical Power Engineering (2024).
Accumulative Rating : (Good).

Graduation project : Regenerative Hydrostatic Transmission System (Excellent). .

PROFESSIONAL EXPERIENCES

03/2026 – Present . **Company :** Hassan Allam CONSTRUCRIONS
- **Role : Technical Office – BIM Digital Engineer (HVAC – FIRE FIGHTING - PLUMBING)**

- Developing 3D BIM models for mechanical systems using **Autodesk Revit**, preparing and reviewing shop drawings, **submitting Model and Material Submittals**, and **resolving design issues**.
- Performing coordination and clash detection using **Navisworks**, collaborate via **Autodesk Construction Cloud** and **Revizto**, and provide on-site technical support by resolving execution issues and issuing **RFIs**.
- Updating BIM models, preparing **as-built** drawings, and extracting quantities for project control, ensuring accuracy and compliance of all mechanical systems.

- **Projects Worked Ons:**
  - **African Export-Import Bank (Afreximbank),** ***New Administrative Capital , Egypt***

06/2025 – 03/2026 . **Company :** Alfanar Projects
- **Role : Technical Office – BIM Engineer (HVAC – FIRE FIGHTING - PLUMBING)**

- Coordination with other disciplines and accurate clash detection using **Navisworks**.
- Preparing and reviewing technical documentation and shop drawings using **Revit**, ensuring full compliance with project specifications, codes, and standards.
- Providing technical support, including reviewing calculations, resolving design issues, and delivering necessary data and drawings to facilitate site execution.

- **Projects Worked Ons:**

. **King Salman Park (KSP) ,*Riyadh ,Saudi Arabia***

. **Turtle Bay Hospital ,** ***Turtle Bay ,The Red Sea ,Saudi Arabia***

.**Atmata Factory ,*Jeddah ,Saudi Arabia***

. **Jeddah warehouse ,Jeddah ,Saudi *Arabia***

10/2024 – 06/2025 . **Company :** EGEC

- **Role : Technical Office -Design BIM Engineer (FIRE FIGHTING - PLUMBING)**

- Designing firefighting, water supply, and drainage systems for various building types in compliance with international codes and standards using **Revit and AutoCAD.**
- Developing detailed shop drawings and 3D models to ensure precise coordination and seamless integration of mechanical systems.
- Conducting design reviews and clash detection to guarantee efficiency, safety, and constructability of MEP installations.

- **Projects Worked Ons:**

- **Edge Stone Admin Building - MU4-2**, ***Adminstative Capital City, Egypt*** . **Kempinski AlQeshan Hotel ,*Riyadh* ,*Saudi Arabia***
- **D.Baymount - C20 Building ,** ***El Sokhna-Maven*** . **Tiffany Business Park** ***Adminstative Capital City, Egypt***

07/2024 – 09/2024 . **Company :** EEPM , DORRA CONSTRUCTIONS

- **Role : Technical Office - HVAC, Fire Fighting, and Plumbing**

- Designing HVAC, FireFighting ,water supply, and drainage systems for buildings according to international codes and standards using **Revit and AutoCAD**.
- Preparing shop drawings and 3D models to ensure accurate representation and integration of mechanical systems.
- Using **Navisworks** for clash detection and coordination, and **Dynamo** in Revit to automate tasks and boost productivity.

- **Projects Worked Ons:**

. Crown Mall Commercial ,*October 6th* ,*New Giza City* **. Badya Mosque ,***Bbadya* ,*October 6th* **. Admin Park (B, D& F) ,***Administrative Capital*

TRAININGS

07/2023 – 08/2023 **RuhrPumpen Company,** *Trainee* **(Suiz)**

07/2023 – 07/2023 **Orascom Construction Company,** *Trainee* , ***Monorail Project*** **(Cairo)**

05/2023 – 05/2023 **Siemens Energy Company (EGT Academy),** *Trainee* **(Al-'Ain al-Sokhna)**

COURSES

04/2026 – 02-2027 **BIM Application Development , KAITECH Academy *(Online)***

08/2024 – 02/2025 **MEP BIM Diploma , KAITECH Academy *(Online)***

08/2023 – 12/2023 **MEP ,** *HVAC , Fire Fighting , Plumping* ***(Online)***

07/2024 – 08/2024 **Intensive English language course , American University In Cairo , AUC *(Offline)***

06/2024 – 07/2024 **Project Management , PMP , AmCham Egypt , Amerian Chamber of Commerce In Egypt *(Offline)***

07/2023 – 09/2023 **Pumps *(Online)***

TECHNICAL SKILLS

-REVIT MEP -NAVISWORKS -Revizto - AUTOCAD -DYNAMO -HAP - DUCT SIZER -Power PI

-Microsoft Office *Word , Excel , PowerPoint (Excellent)* -ElITE FIRE -PIPE SIZER -Autodesk Construction Cloud

LANGUAGES

-ENGLISH (intermediate) B1 **-DEUTSCH** (Beginner) A1
